Resumes of Officers

Roderick McLeod

I am a skilled IT professional who has managed and consulted businesses on their networks, video streaming platforms, and VoIP telephony solutions. Leveraging new technologies to solve business problems fascinates me. Reducing pain points in workflows, particularly with regard to networking and systems administration, is one of my strengths. With more than 10 years of experience in technical management in decision-making capacities, I have assisted clients and companies of various sizes with their technical issues including maintenance, consulting, and deployment of systems and will be successful in the position of Lead Team Systems Engineering.

Experience

Baishan Cloud – Global Account Executive

2021 - 2022

Remote Based (Burbank CA)

Increased Baishan's customer base and pipeline outside of China targeting North America, Asia Pacific, and Middle East regions. Built a healthy pipeline of medium to enterprise sized companies looking to leverage Baishan's edge network to eliminate latency. Conduct platform demos to Dev Ops, Infrastructure and Engineering points of contacts to show how Baishan can integrate with their software and improve content performance around the globe. Successfully integrated sales outreach automation software to work in unison with Hubspot to increase prospect outreach. This resulted in an immediate increase in mid-sized opportunities with shorter sales cycles which provided immediate results for management in China.

Convergence Communications - National Account Manager

2016–2021

Remote Based (Burbank CA)

Expanded Convergence's nationwide footprint by selling into medium to small enterprise-sized companies. Generated new logos by presenting and convincing IT decision-makers to consolidate telecommunications and IT services under one roof. Strategically targeted companies by leading with integrations in their current workflow such as CRM, ERP, Email and Internet Browsers. Portfolio of telco services included Hosted Mitel PBX with UCaaS, conferencing, SD-WAN and dedicated fiber internet access. Managed IT services included managed security and desktop as a service. Consistently exceeded \$1M in annual contractual revenue while increasing Convergence's average deal size from \$36k in 2016 to today's average of \$90k. Successfully negotiated high end contract values reaching \$750k+ with successful renewals. Trained new customers on how to use PC and Mobile softphones, conferencing tools along with new desk phones via shared screen.

Cogent Communications - Regional Account Manager

2014–2016

Pasadena CA

Acquired new medium to enterprise logos for Cogent's data center and global ISP network business. Exceeded a \$750k annual quota by a combination of cold outreach techniques by proposing a consolidated data network design to multi-site companies. Service portfolio included IP Transit, Data Center Co-Location, Dedicated Fiber Internet Connectivity & Cloud Computing.

Cox Communications – Sales Rep

2010–2014

Wichita KS

Exceeded monthly quota by selling new voice, internet, and security bundles. Consistently top ranked rep in a high paced inbound and outbound sales atmosphere. Won multiple awards for a variety of different sales contests.
